PERSONAL PROJECTS

JOBYO (05/2020 - 06/2022) [🔗](#)

- Easily search for jobs based on keywords, location, industry, experience level.
- Save time and effort by accessing a wide range of job listings all in one place.

Today's Plan [🔗](#)

- Easily add, edit, and prioritize tasks for the day.
- Create a structured daily schedule by allocating specific time slots to each task.
- Set short-term and long-term goals with clear objectives.

Line Chart [🔗](#)

- Each data point represents a specific value on the chart.
- The horizontal axis of the chart represents the independent variable, usually time, or another continuous scale.
- The vertical axis of the chart represents the dependent variable, which corresponds to the values of the data points.
